We will process the transfer and email a confirmation to the new participant.

The individual submitting the substitution request is responsible for all financial obligations (any balance due) associated with that transfer and for updating any contact information at the time of the substitution.

Any changes in courses are subject to availability and any refunds for canceled registrations are subject to the refund policy.

### **Liability and Photography Waiver**

I agree and acknowledge that my participation in various MSPEN Annual Conference 2024 (MSPEN24) events may give rise to occasional instances of loss or injury. Except to the extent that such instances may result from the negligence or misconduct of MSPEN, I hereby waive and release any claims that I might have against MSPEN and its members and representatives.

I understand that MSPEN may, at its option, make photographs, videos or recordings of MSPEN24 events, which may include my likeness or participation, and reproduce them in MSPEN educational, news or promotional material, whether in print, electronic or other media, and MSPEN managed social media sites.

By participating in MSPEN24, I hereby grant MSPEN permission to make, use and distribute such items, and I waive any rights to seek payment or compensation.

## Continuing Education and Accreditation Information

**Course Goal and Target Audience.** The objective of this conference is to support healthcare professionals in the development of safe and effective practices for the delivery of nutrition support therapy by providing evidence-based education. This program is designed for healthcare practitioners to further their knowledge of nutrition support.

**Learning Level.** This conference's sessions are planned at the intermediate learning level. Intermediate assumes a general knowledge of the literature and clinical practice within the areas covered. Intermediate sessions are aimed at individuals wishing to expand their skills and knowledge base.

**Successful Completion** To obtain credit for this course, participants must attend in full each session claimed for credit and complete the evaluations in ASPEN's eLearning Center at [www.nutritioncare.org/elearning](http://www.nutritioncare.org/elearning). Registered attendees may log in with the email address and password on file with ASPEN. All evaluations must be completed, and credit claimed by January 3, 2025, no exceptions.

Pharmacists and physicians, please note that ASPEN will upload earned CE credit into the appropriate system within the required timeframe. Any credit not claimed by the deadline will not be entered. Please provide your correct information when completing your evaluation and claiming CE credit. ASPEN submits only the information that is entered by the pharmacist or physician when credit is claimed and is not responsible for following up to obtain any corrected information to ensure an error free submission.

## Accreditation
